CORPORATION OF THE CITY OF BANGALORE

No.81/51-52

CORPORATION OFFICES
BANGALORE

Dated 2nd February 1952

FROM

N S HIRANNAYYA, ESQ M A
COMMISSIONER
CORPORATION OF THE CITY OF BANGALORE
BANGALORE

To

The Secretary to the Government of Mysore,
Local Self-Government Department,
BANGALORE

Sir,

SUBJECT - Filling up of the Vacancy of an Assistant Engineer in Grade 250-20-450 plus D A of Rs 75/-

I write to state that originally in the Civil Station area there was an Engineer of the Superintending Engineer's grade and two Assistant Engineers for D P W, Water Supply, under ground drainage and all other Engineering works in that area But after the formation of the Corporation there is only one Assistant Engineer who is looking after to all these works It is practically impossible for one Assistant Engineer to attend to all these duties and it is felt essential to immediately appoint one Assistant Engineer in the existing vacancy, as most of the works are suffering in that area and the budget provision will lapse, if it is not utilized before the close of the official year Therefore, a panel of names were called for from the Chief Engineer and from the panel of names received one Sri S A Muni Reddy, B E, is selected as recommended by the Engineer of the Corporation This appointment requires the sanction of Corporation and Government under Section 89 (2) of the Corporation Act The Corporation Council when they met on 31st January 1952 have adjourned the meeting till 3rd March 1952 without transacting any business It is not likely that the Corporation may meet in the immediate future for transacting any business, in the present circumstances I have

P T O

I have appointed Sri S A.Muni Reddy, B E , as Assistant Engineer in grade 250-20-450 P M from among the names of the Officers sent by the Chief Engineer in the panel (a copy of which is enclosed herewith for reference) under Section 89 of the Corporation Act by exercising the powers of Corporation under Section 11 of the Act the appointment may kindly be sanctioned and the Chief Engineer directed to relieve the Officer immediately with the direction to join duty in the Corporation

The appointment is purely temporary pending approval of the Corporation

Forwarded with compliments

MAYOR

Yours faithfully,

COMMISSIONER

D O No B1 | 51 52

Dear Sir,

2116
159
71a

Please refer to my letter No B1/51-52 dated 4 2 1952 addressed to you regarding filling up of the vacancy of an Assistant Engineer in grade 250/-20-450

I regret to state that orders have not yet been received though the reference was made nearly two months back In the meantime the work of the Civil Station, especially in the water supply side has deteriorated very greatly With increasing difficulties in respect of the distribution of water of this area, it has become impossible for the one Assistant Engineer working here to look after all the normal P W D works as also water supply arrangements

There has been a loud out-cry from the Councillors that work on both sides is suffering for lack of supervision, and I therefore request that the appointment of Sri S A Muni Reddy, B E , and his loan from the Public Service Department may both be sanctioned immediately and instructions issued to the Chief Engineer to relieve him so that he may report himself to duty immediately

Yours sincerely,

N S Hiranmayya
